

Access:

Starting point is Sferracavallo near Palermo. In the "Via Barcarello" (close to the bus stop "Barcarello") diverges from the house number 63, a small road in the direction of the mountain. Now you can walk by foot, until it turns into a path at the last house. Follow this path and you see soon the first stone men. First you walk a short way uphill and after this you pass below a fence. Then walk to the left top of the fence until the fence grid ends. On the following path you reach the rock toe of the Quota 280.

Descent:

From the tail of the tours you rap off on the back for approximately 30 m. Then you walk around the rock foothill and get back to the access path.
